Dear Sam,

Congratulations! We have selected Advanced Roofing Services as the recipient of the **2015 Fire Safety Recognition Award** presented by the Maumee Fire Prevention Bureau. This is a well deserved honor for you and your employees!

The award is presented annually to the Maumee business that has done an outstanding job of promoting fire safety. Only one business a year is recognized for their efforts in fire safety training, maintaining fire-safe conditions, and positive fire safety promotion. The commitment by all your employees exemplifies these criteria.

On behalf of the entire Maumee Fire Division, thanks to you and all of your employees who have helped Advanced Roofing Services achieve the 2015 Fire Safety Recognition Award.

Thank you for your time, and again, congratulations!

Respectfully,

Jim Dusseau
Fire Prevention Chief
City of Maumee
